I Spy Jungle Animals Apr 25 2020 I spy jungle animals is not only searching for animals by letters but also interesting information about them, thanks to which the child learns more and faster. Interactive books help children develop the habit of reading and learning new things. These books help children get involved and spark their interest Build Working Memory: Good working memory helps kids complete and learn new tasks. Memory is something like a muscle: we need to strengthen it through regular repetition and exercise. In I SPY, your child searches for various objects and creatures in the picture. Funny rhyming text lists the items you need to find in the picture. Your child will build up their working memory by memorizing a clever list of items they need to find. Strengthen Visual Discrimination One of the best uses of I SPY books is teaching children visual discrimination.

Being able to recognize visual details in a picture helps children later distinguish the shapes of different letters, which is an essential reading skill. Encourage reluctant readers with its simple text and engaging gameplay element, I SPY is a fun way to convince reluctant or troubled readers to spend time with a series of books. So grab some I SPY books and let your kids play. Behind the scenes you will know that their learning and memory skills are becoming powerful. This the perfect gift for holidays and birthdays Scroll up now and click the BUY button to make your loved ones happy

Farm Jun 27 2020 The family favourite game 'I Spy' is brought to life in this fun book - can you spot the cow and her calf on the farm? Giant peek-through flaps offer clues to help guessing, and there are lots of other animals to spot, too. Charming, bright illustrations will entice preschoolers who are exploring their new fascination with letters and sounds, and the sturdy peekaboo flaps will bring hours of fun! Perfect for learning essential skills through play. Also available: Spot and Say: Jungle
