**\*\*PART ONE** in the brand new series from Holly Hepburn, perfect for fans of Cathy Bramley and Katie Fforde\*\* When Daisy's mother falls ill she is forced to return home. With her twin sons in tow, she moves back to Half Moon Farm, her family's ancient hop farm. But a new life in the Kent countryside isn't necessarily as idyllic as it might seem. Daisy's relationship with her mother is complicated and the tumbledown farm isn't the only thing that needs rebuilding. Daisy and her sons must adjust to life with estranged family, a leaking roof, and no WiFi. Luckily for Daisy, she might yet find some distraction in silver fox farmer, Drew, or in the haughty heir to the nearby estate, Kit, who she can't seem to avoid. Daisy must learn to juggle her new life, the boys, and the daunting task of updating the farm. But there are secrets lurking in her family's past that might throw everything into

further disarray. 'Brilliant' guides allow you to find the info you need easily and without fuss and guide you through the task using a highly visual, step-by-step approach - providing exactly what you need, when you need it. Please note: This is a companion version & not the original book. Sample Book Insights: #1 To make the most of your mental clarity, schedule a time to check your email when you're not at your peak. Your projects and tasks should take precedence when you're most focused. By making this one simple change and properly utilizing your prime time, you can save yourself countless hours each week. #2 You should have a system for organizing essential and critical email correspondence. When you prioritize and create folders, you have a virtual filing system in place that makes it easier to locate and reply to your messages. #3 Once you create an organizational system for your email inbox, set up automated filters and pre-written responses to help streamline your workload and keep your system in place. #4 When you're out of the office, have your autoresponder set to alert others of your pending absence and let them know that they should contact you immediately if they have any questions, thoughts, or concerns. This will hopefully stop extraneous emails from landing in your inbox while you're away.

The thought of flying sends her into a panic, but she's had enough, so today she's setting out alone to conquer that fear as she steps onto a 767 bound for Amsterdam where she will enjoy a sight she has dreamed of since childhood:

fields of tulips in bloom. She is quite nervous as she boards the plane, and to complicate matters her favorite actor, Chris Lapp, boards and takes a seat beside Holly! As she soon realizes, Chris has troubles of his own, and they form a friendship that sees them through some harrowing times, but there's something about her that puzzles him. She's unlike anyone he's ever met and it's getting under his skin. What is it about this plain woman...or "plane" woman...that makes him question his eternity? He is so intrigued by her that he asks to meet her family. They invite him to spend time with them in their small Georgia town, and he gladly accepts their invitation only to come face to face with a dangerous storm, a daunting decision, and a delightful woman. As a result of several challenging events, both Holly and Chris discover that God is true to His Word and more faithful than either could have imagined. June B. Anderson is a homemaker in a small town in Georgia where she lives with her husband and son, a college student. She also has a daughter and son-in-law who will be having her first grandchild in 2008. She enjoys music, baking, flower gardening, genealogy, and, of course, writing. This is Mrs. Anderson's first book and reveals a deep desire that she believes God has given her, the desire to see famous people saved by accepting Jesus Christ as their Lord and Savior. A sexy, bold adaptation of Jane Austen's *Pride and Prejudice* that re-paints favorite characters in twenty-first century colors. Judge Fitzwilliam Darcy, a legal expert on both sides of the Atlantic, is ready to hang up his black robe and return to the life of a country gentleman—until he meets Elizabeth Bennet, a fresh-faced attorney with a hectic schedule and no time for the sexy but haughty judge. Tempers and sparks fly in Judge Darcy's courtroom—and outside, in a series of chance encounters that give each of them pause—as the two match wits and try to fight their overwhelming attraction. When they meet up in England at an international law conference, they embark on a hot, heavy affair. Back in the States, though, ethical considerations intrude, and each is subjected to a torturous period of soul-searching before they can find their way back to each other... One passionate night. One hot kiss with her sexy neighbor. Her life would never be the same again. As if life isn't complicated enough for Holly. Firstly, she's struggling to finish college on limited funds, then her former guardian and aunt is calling her bluff on having a boyfriend--since in her aunt's opinion, single girls are single because something is wrong with them. Period. When she asks her neighbour Evan to pretend to be her beau, knowing very little about him, except he's hot and smart, she might get more than she bargained for... Evan Knights can't believe his luck when the cute neighbor from down the hall asks him to pretend to be her boyfriend--just for the weekend. Trouble is--there's nothing pretence about his hot feelings for her. When Holly

tells him she'll return a favor to him, his mind is set on having a night of mind-blowing unforgettable passion. Will his sizzling attraction be too hot for her to handle? But he's hiding a dark secret. Getting too close to Holly might be too risky. But isn't love all about risks? A guide to using the online social network provides information on creating a profile, communicating with friends, using Facebook applications, and using Facebook to improve one's business. A compelling rural romance set in the rugged high country of New Zealand's South Island. Four generations of the Black family have farmed Blackpeak Station. Next in line, or so she believes, is Charlotte Black, stubborn as rock and unbiddable as the weather. But standing in her way are 150 years of tradition, an older brother, and a father who believes that daughters run families, not farms. To make her childhood dream of owning the family property come true, she'll have to be as tough as the mountains themselves. There can be no room for romance in Charlotte's life. Or so she thinks, until it arrives at her door. Can she have both love and land, or must she choose? Can Charlotte learn to trust her heart?

'Blackpeak Station is a celebration, in a sense, of high country life, and all its beauty and splendour. It has been sympathetically written to convey authentically the setting, the characters and relationships, and the challenges of living in this remote part of New Zealand. The story is engaging, the characters true, and the setting beautifully realised. If you think this is just another romance, think again as there are plenty of twists and turns to keep you guessing. Blackpeak Station is contemporary, it is well written and gambols along at a pace to keep you hooked. It is, as they say, a really good yarn.' - Wendy A. Mill, Daily News, New Plymouth

Taranaki About the series: Mia Maxwell loves food. She loves it so much that she's made it her career. On the surface Mia seems to have it all. She lives in trendy east London with her best friend, Lizzie, who owns a cupcake cafe. By day she runs her own food PR consultancy, and by night she's a food blogger with a burgeoning audience. Mia has a banker boyfriend, Paul, who enjoys travelling the world, enabling her to taste the globe's culinary delights. But Mia is still hungry and, when she heads down to Cornwall to run a food festival, she doesn't realise that her entire life is about to be cast adrift. About the author: Emma Hamilton is the pen name for a journalist and writer who loves food; She was a staff producer and then freelance reporter for the BBC, CBC, and Deutsche Welle. Emma has written for a number of magazines and newspapers, including The Guardian, BBC Magazines, The Mail on Sunday, Four Four Two and Italy Magazine. She has worked on many series and documentaries, including one about food and culture around the world. Emma spent six years reporting from Italy and has made radio programmes in many other countries including Lebanon, Ethiopia, the USA, France, Germany, Russia, and Cameroon. When she's not cooking,

reading about food or eating it, she splits her time between presenting, producing and writing. She loves yoga, running, gardening and chilling out with her husband, friends and family at home. Die fast 11-jährige Anastasia hört eigentlich nicht auf Unkenrufe ... Aber als die ungeliebte Schulsekretärin Miss Sneed mit der Mono-Augenbraue sie aus dem Unterricht reißt, spürt sie sofort, dass ein Unheil auf sie lauert. Und richtig: Anastasias Eltern sind einem seltsamen Staubsaugerunfall zum Opfer gefallen und müssen sich an einem weit entfernten Ort davon erholen. Stattdessen stehen zwei unbekannte Großtanten bereit, um Anastasia mitzunehmen. Tante Prim und Tante Prude wohnen in einem uralten verstaubten Heim, in dem Anastasia bald mulmig wird: Schon das Gelände wird von bösen Pudeln mit Metallgebissen bewacht. Nachts heulen Geräusche durch das Haus. Und an den Wänden hängen Bilder von verschwundenen Kindern und von finsternen Damen

mit Monobrauen ... She's "Hopeless"...When Hope ran away from home at seventeen it was just the start of a downward spiral that led to mistakes that have plagued her since. Now accused of a crime, she's lost her job and housing. With a young daughter to care for, she finds a place at a church-run shelter. Nick Slater is a new assistant pastor at Headley Cross Baptist. His focus should be on his job and volunteering at the shelter, but when the same woman keeps crossing his path, he knows God has orchestrated their meetings and resolves to help her, no matter what it takes. But even while scents of holly and fresh-baked pies fill the air with Christmas joy, and Nick finds himself falling in love with Hope and her little girl, the dark stain of Hope's past threatens to affect Nick's career. Should he ignore the urge to save his reputation, or is God teaching him a Heavenly lesson? The first three books in the Raines of Wind Canyon series by New York Times bestselling author Kat Martin, collected here! Originally published in 2011. **Against the Wind** Sarah Allen burned a lot of bridges when she left her hometown. But when her husband is murdered and his associates come looking for her and her daughter, Sarah has only one place left to go—Wind Canyon, Wyoming. She runs right into Jackson Raines, the man she spurned in high school, who has now become a successful ranch owner. **Against the Fire** Gabriel Raines still has a pair of cowboy boots in his closet, even though he's now a successful real-estate developer in Texas. And he continues to live by the same Wyoming values that he and his brothers were raised by—hard work, determination and fairness. But when two of his projects are set on fire, Gabe realizes he's crossed dangerous lines. **Against the Law** At thirty-two Dev is "mostly retired" from Raines Investigations, content to run operations from his sprawling Arizona home. But Dev has never been able to say no to a beautiful woman, so when Lark Delaney comes to him for help, the former U.S. Army Ranger from Wind Canyon gets back in the game. Fans of Robyn Carr's Virgin River series will love these three small-town, feel-good romances! Coming Home: Mia Costas is a successful artist, not an event planner. But, when her two best friends ask her to stage a charity gala, she reluctantly agrees. When she realizes how important the event is, she knows she's not the best person for the job—and so will the director of the hospital if he discovers who she is. The Gift: Hannah Williams is an artist and co-owns a successful event management company. For the first time in her life, the things she's always dreamed about are coming true. When she meets Brett Forster, she knows she has to be careful. Falling for a cattle rancher from Montana is the worst thing she could do—even if he's the best thing that's ever happened to her. The Wish: Claire Williams co-owns a successful event management company with her sister. With many high-profile guests coming to their next event, she works alongside Jason Smith from Fletcher Security to make sure every aspect of the event is secure. When someone from Jason's past arrives in Montana, he does everything he can to keep Claire safe. But this time, coming face to face with his enemy could cost him more than his soul. He could lose everyone he loves. Praise for Leeanna Morgan's books: "I am addicted to Leeanna Morgan's books! The only problem with them is that I hate coming to the end of one, and can't wait for the next good read. I love how she weaves the characters together, and draws you right into their lives. If you haven't discovered her, please do give her books a try. You won't be disappointed, except for not having found her sooner!" "I thoroughly enjoyed this book! I couldn't put it down. 3. The Ice Killer ----- The Snow Killer A family is gunned down in the snow but one of the children survives. Three years on, that child takes revenge and the Snow Killer is born. But then the case goes cold. Fifty years later, as murder follows murder, the detective team tasked with solving the crimes struggle with the lack of leads. It's a race against time and the weather – each time it snows another person dies. As an exhausted and grizzled DI Barton and his team scabble to put the pieces of the puzzle together, the killer is hiding in plain sight. Meanwhile, the murders continue... The Soul Killer DI Barton investigates the tragedies that have shattered a family's lives, and when the remains of a body are found, everything points to one suspect. Barton and his team move quickly, and once the killer is behind bars, they can all breathe a sigh of relief. But death still lurks in the shadows, and no one's soul is safe. Not even those of the detectives... The Ice Killer Ellen Toole's therapist told her to forget the past, but with her family story shrouded in secrecy, that's easier said than done. But Ellen must find answers about the past if she has any hope for a future. Meanwhile DI Barton and his team hear reports of a kidnapping, followed by the discovery of two dead bodies. There's a murderer on the loose, and the killer needs to be stopped before they strike again. But how can Barton find the truth when all the victims and witnesses are dead? Coming soon! Harlequin Intrigue April 2023 - Box Set 1 of 2 by B.J. Daniels\Nicole Helm\K.D. Richards will be available Mar 28, 2023. The Routledge Handbook of Translation and Ethics offers a comprehensive overview of issues surrounding ethics in translating and interpreting. The chapters chart the philosophical and theoretical underpinnings of ethical thinking in Translation Studies and analyze the ethical dilemmas of various translatorial actors, including translation trainers and researchers. Authored by leading scholars and new voices in the field, the 31 chapters present a wide coverage of emerging issues such as increasing technologization of translation, posthumanism, volunteering and activism, accessibility and linguistic human rights. Many chapters provide the first extensive overview of the topic or present new takes on established areas. The book is divided into four parts, with the first covering the most influential ethical theories. Part II takes the perspective of agents in different contexts and the ethical dilemmas they face, while Part III takes a critical look at central institutions structuring and controlling ethical behaviour. Finally, Part IV focuses on special issues and new challenges, and signals new directions for further study. This handbook is an indispensable resource for all students and researchers of translation and ethics within translation and interpreting studies, multilingualism and comparative literature. As increasingly contentious politics in the United States raise concerns over the "politicization" of traditionally non-partisan institutions, many have turned their

attention to how the American military has been--and will be--affected by this trend. Since a low point following the end of the Vietnam War, the U.S. military has experienced a dramatic reversal of public opinion, becoming one of the most trusted institutions in American society. However, this trend is more complicated than it appears: just as individuals have become fonder of their military, they have also become increasingly polarized from one another along partisan lines. The result is a new political environment rife with challenges to traditional civil-military norms. In a data-driven analysis of contemporary American attitudes, *Dangerous Instrument* examines the current state of U.S. civil-military affairs, probing how the public views their military and the effect that partisan tribalism may have on that relationship in the future. Michael A. Robinson studies the sources and potential limits of American trust in the armed services, focusing on the interplay of the public, political parties, media outlets, and the military itself on the prospect of politicization and its associated challenges. As democratic institutions face persistent pressure worldwide, *Dangerous Instrument* provides important insights into the contemporary arc of American civil-military affairs and delivers recommendations on ways to preserve a non-partisan military.
