Whether discussing his 'crushing and kissing' techniques or the stenting of tortuous vessels in the elderly, Dr. Colombo and his Hilarious tales from the trenches of food service from the popular blog—perfect for fans of David Sedaris, Anthony Bourdain, Erma Bombeck and Mo Rocca. Cardoso knows you want your beer cold ("You want a cold beer? Thank you for clarifying so I didn't bring you the one that just came out of the oven"). And while he may hate children ("I know the kid at Table Eight is trouble the moment he rolls into the restaurant in his fancy stroller"), he will at least consider owning up to his mistakes: "Do I take the steak from the floor, citing the "three-second rule," and put it in the to-go box and carry it back to the woman?" From crazy customers to out-of-control egos, these acerbic tales offer a hilarious glimpse into what really goes on in that fancy restaurant—and inside the mind of a server. Praise for The Bitchy Waiter "Cardosa does for wait staff what Anthony Bourdain did for kitchens: he exposes the ugly side of food service from the perspective of those working on the front lines.
