The Lagasse Girls' Big Flavor, Bold Taste--and No Gluten! Mar 17 2022
When you have to give up gluten, either for yourself or a family member, you may think you have to say good-bye to all of the comforting foods you love. It's hard enough adopting a new way of eating, but the idea of giving up your favorite fried chicken, mac 'n' cheese, or oatmeal raisin cookies is downright unfair and intimidating (and if your kids are the ones diagnosed, it can be even more difficult!). It's a story Jilly and Jessie Lagasse know well. With a father famous for his bold Creole cuisine, Jilly and Jessie grew up loving rich foods

full of big flavor. When they learned they both had to eliminate gluten, the Lagasse girls made it their mission to demonstrate that "gluten-free" doesn't have to mean "flavor-free." After years of gluten-free eating and experimentation, they're here to help you re-create classic recipes and all-time favorites made without gluten -- without sacrificing any of the signature flavors that make them so irresistible. Using everyday ingredients you can find at most grocery stores, Jilly and Jessie share recipes for breakfasts, lunches (including hearty salads and soups), appetizers, mains, and, of course, scrumptious desserts. With dairy-free and quick-and-easy options as well, Jilly and Jessie make gluten-free eating simple and extraordinarily delicious -- whether you're cooking for one or two, hosting a family get-together, or feeding the whole Little League team.

Bold Women in Michigan History Sep 30 2020 It takes people of all kinds to shape a place. Abolitionists. Trade unionists. Artists. Scientists. Soldiers. Explorers. Traders. Crusaders. Senators. Designers. Michigan had all of these and all of them, in this book at least, were women. Written for young adults, **Bold Women in Michigan History** tells the stories of thirteen extraordinary women. Long before the existence of high-tech weatherproof gear, Madame de Cadillac paddled a canoe across two great lakes to help her husband found Detroit. Magdelaine LaFramboise grew rich as a fur trader. Disguised as a man, Emma Edmonds fought for two years in the Civil War. Lucy Thurman, Waunetta Dominic, and Delia Villegas Vorhauer fought other battles for rights and social justice for their families and communities. Myra Wolfgang, the **Battling Belle of Detroit**, picketed and struck. Sippie Wallace sang and lived the blues. And Pearl Kendrick and Grace Eldering labored over a vaccine that would save millions of lives. The DPT (diphtheria, pertussis, and tetanus) shot is still used today. Perfect for school, recreational reading, and the history shelf, **Bold Women in Michigan History** is a resource for kids and adults who like good stories about real people who made a difference

Self-esteem Sep 11 2021 Self-esteem is essential for psychological survival. It is an emotional sine qua non - without some measure of self-worth, life can be

enormously painful, with many basic needs going unmet. One of the main factors differentiating humans from other animals is the awareness of self: the ability to form an identity and then attach a value to it. In other words, you have the capacity to define who you are and then decide if you like that identity or not. The problem of self-esteem is this human capacity for judgment. It's one thing to dislike certain colors, noises, shapes, or sensations. But when you reject parts of yourself, you greatly damage the psychological structures that literally keep you alive. Judging and rejecting yourself causes enormous pain. And in the same way that you would favor and protect a physical wound, you find yourself avoiding anything that might aggravate the pain of self-rejection in any way. You take fewer social, academic, or career risks. You make it more difficult for yourself to meet people, interview for a job, or push hard for something where you might not succeed. You limit your ability to open yourself with others, express your sexuality, be the center of attention, hear criticism, ask for help, or solve problems. This book is about stopping the judgments. It's about healing the old wounds of hurt and self-rejection. How you perceive and feel about yourself can change. And when those perceptions and feelings change, the ripple effect will touch every part of your life with a gradually expanding sense of freedom. ---- Self-Esteem
